

Latin Pisco Night At Centara Grand Hua Hin

David Martens (2nd right), General Manager of Centara Grand Hua Hin recently hosted a “Noche Latina” dinner to launch Peruvian food at Coast Beach Club & Bistro. The hotel was honored to have His Excellency Mr. Fernando Quiros the Peruvian Ambassador to Thailand (3rd right) to launch our promotion and was only too pleased to present to our guests a sample of the charm, beauty and taste that Peru has to offer.

The event took place at the COAST Beach Club & Bistro with a buffet of traditional Peruvian food served with Peruvian Pisco. The night was complimented by Latin dancers who provided a show of Latin dances along with classes on how to dance the Latin way!

Specially created Peruvian dishes & Pisco will be available at the Coast from now until the end of February 2018.
