Life is precious at Hotel Baraquda Pattaya MGallery by Sofitel

Hotel Baraquda Pattaya MGallery by Sofitel recently held an AccorHotels Pattaya blood donation to support the Thai Red Cross Society at the D&A meeting room.
The event was led by Baraquda's Hotel Manager Khun Wanitchaya Kietdamrongwong (fifth from right) and Khun Wachari Vanda, the Head of the Thai Red Cross Volunteers for Chonburi Province (center) along with the Baraquda dream makers who welcomed all the donors from AccorHotels Pattaya and our friends in the neighbourhood who joined this worthwhile gathering.
This event is one of ACCOR's CSR programs which aims to establish a sense of giving and sharing happiness through this essential life-saving activity.
