LINE Continues to Give Best Experience

LINE Continues to Give Best Experience to Thai Users Joining Up with Huawei Thailand to Make LINE App Compatible with Huawei Devices Available to Download on Huawei App Gallery in April 2020

LINE Thailand led by its CEO Dr. Phichet Rerkpreecha congratulated Huawei Thailand at a live event to launch Huawei P40 and unveiled LINE Thailand's collaboration with world's leading smartphone brand Huawei Thailand, to deliver the best experience to Huawei smartphone users and over 45 million LINE users in Thailand by launching the LINE app for Huawei smartphones, which will be ready to download on Huawei App Gallery within April 2020.

LINE is moving forward to develop our platform and services in line with the mission of 'Closing the distance.' We are committed to helping Thai people access information and good services through new technologies and innovation that can make their daily lives better. This collaboration with Huawei Thailand is an illustration of our commitment.
