

M-DAY CELEBRATION AT HOTEL MUSE BANGKOK

To celebrate MGallery 10th Anniversary, Hotel Muse Bangkok by MGallery led by Mr. Nicolas Peth, General Manager recently organized “Sunset Cocktail Sensation Party” on the rooftop bar “The Speakeasy”. This event was organized to express our sincere gratitude to our guests, partners and media for their kind and tremendous support MGallery brand.

Guests were enjoying our 3 special cocktails showcasing all 5 senses. Our expert mixologist Khun Lersak Jamkadsin together with Mr. Nicolas hotel’s General Manager had shown how to make a cocktail in his professional way by making “Bacon old fashioned”, “Wasabi Martini” and “Paranim” cocktails and served to all guests on that remarkable evening.

Once again, in honor of our special moment MGallery 10th Anniversary, all of us from Hotel Muse Bangkok Langsuan would like to say thank you to everyone for joining us to celebrate the M-Day and making it so memorable.
