

MEGATIX PHUKET SANDBOX CAMPAIGN SUPPORTS PHUKET HOTELS WITH FANTASTIC PACKAGE DEALS From 15th July 2021 onwards

Thailand takes the first step in opening to international tourists in July 2021 and Megatix is on the spot with the support that hotels on the beautiful island of Phuket need, through a platform that allows users to shop for travel package vouchers in Phuket with more ease, comfort and freedom than ever.

Reaching out to the severely battered hotel industry of Phuket, the new Megatix Phuket Sandbox campaign provides hotels with an opportunity to bundle together their most irresistible packages for sale on Megatix's exciting and easy ticketing sales platform. Unlike the usual hotel booking sites, Megatix offers vendors direct control over their presence on the site with a user-friendly online dashboard interface, allowing them to offer more attractive deals.

Megatix brings together the best deals on accommodations, staycations, dining, spa, events, even pool access in e-vouchers that give the purchaser freedom to use them whenever they like, choosing their travel dates at their own convenience from the comfort and of their own homes. Megatix hosts the offers of over 300 of Thailand's 5-star hotels and international brands including Accor, Marriott International, Minor Group, Hilton Group, The Ritz-Carlton, Hyatt Group, Rosewood, Mandarin Oriental, Peninsula, Kimpton, Kempinski, Soneva Kiri, Banyan Tree, Aman Puri, and many other premium luxury brands.

The campaign is designed to draw guests to the island, Thailand's largest, which before the Covid-19 pandemic had always been one of the most popular destinations for the country's huge annual arrival numbers, welcoming around 15 million each year. However, now after over a year of surviving without the vital lifeline of incoming foreign tourism, the hospitality business of Phuket is struggling. Megatix seeks to change that with this campaign. The ease and confidence allowed to the user, and the widest range of payment forms accepted on the site, will go a long way toward pushing

up hotel occupancy rates helping to restore the livelihood of thousands of Thais employed in the hotel industry.

The Megatix platform has the potential of being a great benefit not only to Phuket but to the travel and hospitality industries in Thailand during the uncertainty of Covid restrictions, as dates are not fixed and committed. The vouchers can be bought with the confidence of knowing they can be used when they are wanted, and that the purchaser will never have to go through the challenging process of cancelling a reservation and trying to reclaim the funds.

The campaign comes at the right time as Thailand now allows international travelers with proper documentation and proof of recent Covid testing or vaccination to fly direct to Phuket. Travelers will be required to remain on the huge island for up to 14 nights at approved hotels with SHA Plus for Hotel Resorts, a safety and health certification of the most hygienic practices and that over 70% of employees have received vaccination for the Covid-19 virus.

The Megatix Phuket Sandbox campaign will be available to a selected number of the best Phuket hotels, offering their most appealing accommodations package or accommodations bundle. Travel shoppers will find delightful inclusions such as airport transfer, daytrips, meals, ocean activities and just about everything else the heart could desire in Phuket, whether lounging at one of the island's gorgeous beaches, dining in the "City of Gastronomy" or shopping in historical Phuket Old Town with its colorful Sino-Portuguese architecture.

Participating hotels include Banyan Tree Phuket, InterContinental Phuket Resort, Hilton Phuket Arcadia Resort & Spa, JW Marriott Phuket Resort & Spa, Le Méridien Phuket Beach Resort, The Naka Island - a Luxury Collection Resort & Spa Phuket, Renaissance Phuket Resort & Spa, The Westin Siray Bay Resort & Spa Phuket, Angsana Laguna Phuket, COMO Point Yamu Phuket, The Racha Phuket, Amatara Wellness Resort, Amanpuri, Trisara Villa and Residence Phuket, and many more — and no matter when you decide to come, you can begin planning your long-awaited vacation right away!

Being required to sightsee around Phuket Island for a week or two is not so bad — the Megatix Phuket Sandbox campaign will provide you with loads of promotional deals to make your stay on Phuket one of the best vacations you've ever had!
