

Mercure Pattaya Hotel 13th Years Anniversary

On 5th July 2018 the owning company led by Mr. Wong Swee Huat (second row 7th from left) and Ms. Amanda (second row 6th from left) visited the Mercure Pattaya Hotel to celebrate its 13th years anniversary with Mr. Jagan Lacsher - Cluster General Manager (second row 8th from left) and the management team and staff of the hotel.

We started by praying at the Spirit house at 9.09 hrs. We chose this time in particular as it is believed to be lucky and paves way for good things to happen in business, health and safety. Once the prayers were done, the monks had their ceremony at 10.30 hrs. where they blessed all the hotel staff.

After the ceremonies, all the staff was treated to a special lunch organized by the owners. It was a full spread Thai & international buffet comprising of their favorite dishes such as Som tum, Spaghetti, Pizzas, Fried Pork, Snow Ice, Ice cream and more. We also cut the anniversary cake and gave it to guests in house as well. All the staff were happy and enjoyed this auspicious day.
