MIXOLOGY MATCH’ JUDGES SEE PURPLE
Zest Bar & Terrace claims Best in Show honors with its inimitable Daisy Swizzle

A purple vision called “Daisy Swizzle”, created by the talented mixology crew at Zest Bar & Terrace, has claimed the distinction of winning “Best in Show” at Marriott Hotels first-ever “Mixology Match”.
Considering there were around 1,000 entries in the contest from Marriott associates around the world, the achievement is all the more remarkable.

Now it’s the turn of the public to form their opinions.
To celebrate, Daisy Swizzle is offered at the special price of THB 299 net from now through year-end. Only at Zest Bar & Terrace on the 7th floor, The Westin Grande Sukhumvit, Bangkok.

With its passionate butterfly pea purple color, with pomegranate, kiwi, cherry and passionfruit on the side, Daisy Swizzle certainly makes a visual splash. Inside the shapely vase glass, well-churned with crushed ice, is Tanqueray gin fused with butterfly pea juice, lime juice, elderflower essence, fresh mint and tonic water. Garnish with a sprig of mint and butterfly pea petals and sip slowly.

Daisy Swizzle is available at the sophisticated city center bar overlooking the BTS Asok & MRT Sukhumvit interchange, every day, all-day, from 07.00 to 01.00 hrs.
