Mövenpick Resort & Spa Karon Beach Phuket Celebrates Solidarity Week 2019

Mövenpick Resort & Spa Karon Beach Phuket continues its commitment to help change the lives of society's most disadvantaged members by celebrating Solidarity Week by AccorHotels.

Since 2008, Solidarity Week has grown within AccorHotels properties and headquarters around the world. Each year, over the course of a week in December, employees are encouraged to participate in charitable initiatives, providing a practical response to the needs expressed by local organizations.

As a part of this year's Solidarity Week, Mövenpick Resort & Spa Karon Beach Phuket visited Phuket Sunshine Village, a local charity located in Phuket Town that provides a loving home for children through foster care, to give them a safe place to grow and develop. On Saturday, 14 December 2019, the team donated essential items such as clothing, stationery, kitchen items and household supplies, entertained the children with song performances from Hua Rue Team and provided them with sweet treats.

Speaking on the occasion, Ms. Parinya Hallermann, Director of Talent & Culture, Mövenpick Resort & Spa Karon Beach Phuket stated, "We at Mövenpick Resort & Spa Karon Beach Phuket are always committed to work with the local community and participate in various charitable events. Solidarity Week by AccorHotels is another wonderful event which allows us to give back and empower the local community. We are extremely pleased with the response and we look forward to celebrating many more solidarity initiatives in the future."
