MQDC invites trendsetters who care about Well-Being & Sustainability - Don't miss out!

MQDC (Magnolia Quality Development Corporation Limited), led by Mr. Raj Tanta-nanta, Group President of DTGO Corporation Limited and Executive Committee Member of MQDC, Mr. Visit Malaisirirat, CEO of MQDC, and Mrs. Sasinan Allmand, Executive Vice President of Marketing & Communications, is hosting an international seminar for members of the public, students, academics, and professionals with an interest in well-being and sustainability. The Annual International Well-Being and Sustainability Forum, Bangkok 2018, features multidisciplinary presentations from leading international experts: 1) Mr. Toby Blunt, Senior Partner of Foster + Partners, on 'How Masterplans Drive Sustainability'; 2) Mr. Bill Coan, President and Principal of ITEC Entertainment on 'Customer Experience Designed for Well-Being'; 3) Assoc. Prof. Dr. Singh Intrachooto, Chief Advisor of the Research & Innovation for Sustainability Center (RISC), on 'Evolving Sustainability from a Trend to a Habit'; 4) Dr William E. Reichman, President and CEO of Baycrest, on 'Environments for Civilized Aging'; and 5) Prof. John Spengler, Professor from Harvard T.H. Chan School of Public Health, 'Quantifying Sustainability Benefits for Healthier Housing'. Honorable guests joining the event will include H.E. General Anantaporn Kanjanarat, Minister of Social Development and Human Security. The leading Thai media figure Mr. Suthichai Yoon will moderate discussions.

Mrs. Sasinan Allmand, EVP of Marketing & Communications, said, "The objective is to address key global trends. This forum examines how well-being and sustainability can be integrated to tackle issues such as aging populations, urbanization, energy use, health, and well-being. We encourage everyone who cares about well-being and sustainability to join us. You can book your place at this free seminar by 1) calling 1265 at MQDC call center, 2) visiting <https://mqdc.com/well-being-sustainability-forum/>, 3) emailing to Alisa_Ek@dtgsiam.com and 4) ringing the hotline +66 95-207-9360. Seats are only available from today to 12 January 2018."
