

“My Dad - My Hero” Father’s Day Lunch & Dinner Buffets

What dad wants he gets at Seasonal Tastes’ Father’s Day Lunch & Dinner Buffets. Even including dining free and enjoying a complimentary glass of wine or beer when accompanied by two paying adult family members.

In honor of the life and works of the late, great King Rama IX on His Majesty’s birthday, Thailand’s national Father’s Day, Wednesday, December 5, 2018, Westin Grande Sukhumvit, Bangkok’s international family restaurant enhances its already intensely-indulgent culinary array with dishes that define what it means to be a dad.

Tuck in together to everyone’s favorite seafood and then hit the “My Dad - My Hero” array especially for men. Think man-size cowboy and smokehouse flavors such as Applewood-smoked beef brisket, Lamb rack, BBQ-sauce-smothered Pork Ribs, and Smoked swordfish and scallops.

Firm up those family ties in Seasonal Tastes’ gleaming modern setting steps from BTS Asok and MRT Sukhumvit interchange.

The enticing buffet line also features fresh seafood selections, a Mediterranean corner with brightly burning pizza oven, Asian Corner, including Thai classics, and Japanese corner under the wing of the award-winning Kisso Japanese Restaurant. Other must-haves range abundant fresh salads and divine desserts and a full-scale surf n turf grill, roast, and oven-baked counter.
