

National's Children Day with Mövenpick Asara Resort & Spa Hua Hin

Hua Hin, Thailand, January 2020 – GIFT back to School in Celebration of National Children's Day

On the occasion of National Children's Day 2020, Mövenpick Asara Resort & Spa Hua Hin's Heartists together with the Salalai Subdistrict Administration Organization organized an annual National Children Day activity at Baan-pa-mark Border Patrol Police School.

Led by Talent & Culture Manager; Ms. Wanporn Boonsri, as the enthusiastic Heartists prepared by heart all time favourites "Mövenpick Mini-burger" for 300 children. Fundraising and donation were conducted earlier at the hotel where all our Heartists and guests got a chance to share items and fund to support the children and school. The happy moments were delivered through those smiles and laughter during a series of fun skits and fun games. It was a genuinely heart-warming day seeing children thoroughly enjoy themselves and making the most of their time with us.

GIFT Back to School campaign is Mövenpick Asara Resort & Spa Hua Hin's ongoing Corporate Social Responsibility (CSR) efforts, as part of hotel's spirit to serve the community in which we live in.
