New menu released for Red Sky’s recently launched Business Lunches

Red Sky restaurant at Centara Grand at CentralWorld recently launched a new ‘Business Lunch’ service, meaning you can dine in the sky with colleagues, clients or just treat your best friend to a fancy weekday lunch!

Running from 11.30 – 14.30 hrs. from Monday to Friday, these are hosted inside our air-conditioned dining room on the 55th floor of Centara Grand at CentralWorld (meaning you can escape Bangkok’s heat but still enjoy the views!)

We’re also excited to announce the new range of menus and mouthwatering international dishes available at lunchtime.

As well as a selection of starters, mains and desserts available throughout the week, we are also running ‘Plats du Jour’ daily specials from just THB 755++ to 955++.

For a main course, take your pick from “Steak Frites” 150g rib eye with French fries and herb butter or Béarnaise sauce; Butterfish in parsley and lemon; Truffle and corn filled Agnolotti pasta; Duck leg confit with sautéed potatoes and spinach; or Tender braised pork “Navarin style” on Linguine pasta.

As for our daily specials, some of the highlights include Beef Bourguignon (with caramelized carrots and onions and crushed potatoes – Tuesdays, THB 955++); Duo of Pan Seared Lamb Chops and Stewed Lamb Navarin (Wednesday, THB 755++); and Prime Rib of Beef from the Carving Trolley (with mixed mushrooms, mashed potatoes, and green pepper sauce – Thursdays, THB 655++ /100g.)
