

New Product..Kitchen Partner

Kitchen Partner... Myrex (Thailand) Ltd., distributor of Meyer, the world's leading cookware brands recently introduced the 10-piece set Circulon "Symmetry" which adds sophisticated style to any kitchen. Its heavy-duty hard-anodized aluminum construction is twice as hard as stainless steel. The cookware is fitted with impact-bonded aluminum bases compatible with all stovetops, including induction. Its Hi-Low innovation design is patented. Graceful cast stainless steel handles are enhanced with rubber to provide a comfortable grasp. The superior Autograph 2 nonstick technology provides the unique TOTAL food release and durability. The product is available at leading department stores and the Meyer Showroom, Bangna.
