Nobody to watch over the children? Then bring them along to Spa Cenvaree's 'Spa for Kids,' Centara Grand at CentralWorld

Longing for some much-needed R&R time at the spa but have nobody to watch over the kids? Then Spa Cenvaree, Centara Grand at CentralWorld has the perfect solution: bring them along with you and let them enjoy the spa experience too!

Our unique 'Spa for Kids' is now offering a range of promotional programs that have been tailor-made for children aged 6 to 15. These one-hour sessions promise to revitalize young minds and re-energize tired bodies – providing a comfortable and safe environment for them to be introduced to different massage techniques (albeit, performed slightly more gently than a regular Thai massage…)

Spa Cenvaree's 'Spa for Kids' treatment programs are priced at THB 1,495++ per child; please find the different choices below:

Purifying aromatic head & shoulder massage – ideal to help young Spa-goers to unwind aching muscle as well as release tension in tight shoulders and the upper back.

Teen relaxing hand & foot massage – a deeply refreshing pressure point hand and foot massage to increase blood circulation and promote the flow of energy

Mini-twinkle pedicure & foot massage – an energizing pedicure with peppermint foot exfoliation followed by luscious tropical lotion, leaving young skin velvety smooth; this also includes nail cleaning, trimming and polish (optional for the boys…)

Tropical mango manicure & scalp massage – a fun and uplifting experience with tropical mango and peppermint scrub, concludes with mango shea butter to leave little hands soft and refreshed including express nail treatment to finish
