

NOOK DEE BOUTIQUE RESORT BY ANDACURA, PHUKET, SAYS NO TO PLASTIC!

We are committed to stop using plastic!

Nook-Dee by Andacura Hotels & Resorts is proud to announce that we don't use any plastic straws anymore! No more plastic stirrer, no more plastic bottle as well and we are in the final stages of removing also plastic from our kitchen and bars.

Nook-Dee Resorts owners and management together with Andacura Hotel & Resort team is very committed to eliminate even the last traces of plastic in the resort as soon as possible to show leadership for other businesses and hotels. The goal is to be 100% 'plastic-free' by end of 2019. Nook-Dee Boutique Resort by Andacura will start educational projects for the local community and schools soon to contribute knowledge and skill to society.

Note:

Nook-Dee by Andacura Boutique Hotels & Resorts is the leading boutique resort in Phuket with a solid service concept complementing its design concept which is to promote Thai culture and traditions.
