OH MY MANGOSTEEN DESSERTS AT THE MUSEUM, CENTARA GRAND BEACH RESORT & VILLAS HUA HIN

It’s this time of year again when mangosteens are in season. Here at Centara Grand Hua Hin, we make sure you get the best way to sample invigorating flavours of this tropical fruit, presenting “Oh My Mangosteen” dessert creations at the city’s top tea corner, The Museum, come June.

All June, The Museum at Centara Grand Beach Resort & Villas Hua Hin is pleased to introduce you to “Oh My Mangosteen” dessert creations, made using only the juiciest and popular mangosteens that you won’t be able to resist. Well-regarded in Thailand as the queen of fruits, the purple tropical produce is even better created and made into heavenly delicious desserts than eaten raw. Pick your favourite from the sweet selection such as the pleasing Mangosteen Yoghurt Parfait layered with a variety of juicy pomegranate and berries, or the presumptuous Mangosteen and Pomegranate Cheese Tart, and last but not least, the daring Mangosteen Napoleons with Chili Dark chocolate that gives an amazing contrast of sweet and tangy hint of mangosteen and bolder chocolate flavours – all will please your palate and make you want more.

Whatever your preference this season, be sure to visit The Museum and sample blissfully sweet tastes with a touch of sourness from “Oh My Mangosteen” dessert creations that are just refreshing enough for the season. Also on the offer is the best selection of freshly-made pastries, delicious cakes and specialty desserts – all complemented with your choice of premium coffee and tea. Get ready to say Oh My Mangosteen!
