One for the Girls at Brewski Craft Beer Bar

The team at Venues' Brewski knows that the ladies appreciate good craft beer as much as the gents. That's why the popular rooftop bar is launching its own take on a ladies' night on June 27, 2017.

On Tuesday, June 27, 2017, Brewski will debut its new weekly "Ladies' Night in White", complete with a menu of discounted craft beers and delicious bites, live music and a few unique surprises female guests will love. From now on, Brewski is the place to be for all ladies who love their craft beer cold and fresh from the tap, served with some yummy snacks on one of Bangkok's most beautiful rooftop terraces.

All ladies will be VIPs on Tuesdays, and the ones who come dressed in classy white will get an extra bonus. Everyone adhering to the dress code will receive two glasses of Raspberry Rubaeus to start the night off in style and get the chance to win a sparkling Swarovski crystal tattoo in a lucky draw. To make the night even more fun and memorable, a different DJ will be performing every Tuesday from 20:00 to midnight, making for a cool new mood every week.

"A growing number of women enjoy craft beer and want to explore more different flavors and styles of beer. Now they can get together with their friends for ladies' night at Brewski and do exactly that in a relaxed atmosphere and a beautiful setting. Our special menu offers a beer for every palate, making it the perfect selection to discover the world of craft beer," says Radisson BLU Plaza's General Manager Peter Feran.
