

Outrigger Charity Badminton Tournament 2016

Over 150 hoteliers from 15 resorts in the Phuket region came together to participate in the “Outrigger Charity Badminton Tournament” held Saturday 23rd July. Hotel hosts could participate in either the men’s, women’s and/or mixed doubles tournaments in a round-robin competition.

The tournament was a great opportunity for hotel hosts to represent their resort whilst promoting and raising money for the Community Social Responsibility (CSR) project. All proceeds raised on the day will be donated to Baan Kok Wat Mai School where the Outrigger Laguna Phuket Beach Resort team has undertaken several long-term projects including renovation of the library, school toilets, playground, canteen and classrooms.
