

Outrigger Konotta Maldives Resort Announces New Family Getaway and Enhanced All-Inclusive Offerings

GAAFU DHAALU ATOLL, THE MALDIVES - The Outrigger Konotta Maldives Resort has announced three new exciting developments for holidaymakers: a new mega value-added Family Getaway experience, an improved All-Inclusive (AI) offering, and a new All-Inclusive Plus (AI+) package.

The Family Getaway Experience gives a family of four to six their own private 282 sqm two-bedroom luxury pool villa with complimentary transfers by flight and speed boat from Male to the Outrigger in the beautiful south of the Maldives.

“Our Family Getaway and all-inclusive options really allow guests to switch off from their busy lives and rejuvenate surrounded by pristine natural beauty,” says John Allanson, the resort’s General Manager.

On site, parents can fully relax with two hours of baby sitting per day offered by the resort.

There are great activities available. Kids can enjoy beach games, yoga, meditation, “Little” chef and “Teen” chef lessons, paper arts and craft classes, and designing their own t-shirt.

Children eat free in the Blue Salt restaurant on the same meal plan as their parents.

Adults have multiple options such as spa treatments, group yoga, cooking classes, the art of barbecuing, scuba diving, paddle boarding, or jet skiing.

Activities for the whole family include a myriad of wonderful options such as swimming across the equator, family picnic on a remote island, snorkelling trips, dolphin quest, semi-submarine excursions, learning about the stars, and a private family movie night.

Guests can do good while on holiday. They can join resort’s in-house marine biologist and participate in the island’s coral conservation and education activities, part of Outrigger’s worldwide OZONE program.

Many of the options are included in the Family Getaway Experience. Others involve a surcharge.

All-Inclusive and the New All-Inclusive Plus

The Outrigger in the Maldives has also ramped up its AI offering and created a new AI+ special package. Both let couples and families relax without worrying about extras.

The enhanced All Inclusive package now includes breakfast, lunch and dinner at The Deck and Pool Bar as well as the main Blue Salt international restaurant. It includes a great selection of wines, beers, cocktails, teas and coffees from any outlet from 11am daily.

With a new and generous meal and activities credit system, guests can experience an array of themed dinners at Driftwood, enjoy Japanese dining in Nala Rah, have private in-villa dining or have

a barbecue on the beach.

Many non-motorised activities are also included.

For US\$99++ per person per night, experience freedom with AI+ which gives all of the above benefits plus minibar refills, great discounts on private destination dining, reductions on spa treatments and full enjoyment of the chef's premium dining experiences at The Deck, Blue Salt, Driftwood and Nala Rah (Japanese).

Guests also enjoy exceptional discounts on private yoga and gym sessions and on the sommelier's premium wine selections.

"Families can create their own private luxury world in the azure Indian Ocean at the Outrigger," says General Manager Allanson. "Unmatched luxury is just a step away with our Family Getaway and all-inclusive options."
