

PTT Public Company Limited visits Delta Electronics (Thailand)

PTT Public Company Limited, led by Acting L.T. Jenvit Keowvit Financial Officer, Insurance & Asset Management Department together with the Business Development team paid a visit to Delta Electronics (Thailand) PCL. to study Delta's business strategy and operations for Green energy related products and solutions. Delta's Mr. Kittisak Ngoenngokngam, Southeast Asia Business Director, welcomes the team at Delta's head office in Bangpoo and hosted a plant tour to introduce the company's sustainable operation and state-of-the-art production lines. The day's agenda was followed by a discussion on renewable energy, Electric Vehicle (EV) technology, Energy Storage Solution (ESS) and solar energy solution.

With a clear mission for sustainable growth, Delta Electronics (Thailand) PCL. is a global company publicly listed in Thailand. The company has R&D centers in 10 countries, sale offices in more than 19 countries and manufacturing plants in four countries. Delta's products and innovations have been recognized worldwide for its quality, efficiency and reliability. The company's total revenue in 2016 was 46,887 million baht. With customers from leading EV companies in Europe and USA, Delta is one of the key pioneers in research and development for EV components and charging system for over a decade.
