

RAISE YOUR RIEDEL GLASS JUST LIKE A MASTER AT VERO TRATTORIA & WINE BAR

Pullman Phuket Arcadia Naithon Beach together with Glassware innovator, Riedel, recently held an inaugural RIEDEL MASTERCLASS at VERO Trattoria & Wine Bar. Helmed by Riedel Brand Manager, Mr. Walter Giomi, the RIEDEL MASTERCLASS included an introduction of the architecture of the varietal specific Riedel glassware, signature glass tasting and exclusive cocktail reception.

Riedel, the world-renowned glass making family originates from Austria, and have produced high quality glassware for over 250 years, since 1756. Handed down from generation to generation, the glassware is well-recognized around the world for its refined design specific to each grape, enhancing the four sensations of a wine - Bouquet, Texture, Flavour and Finish.

Certified as the first "RIEDEL PROPERTY AMBASSADOR PHUKET 2019", VERO Trattoria & Wine Bar invites you to enjoy your favourite Italian delicacies, chef signature dishes and experience the elegant collection of Riedel glassware to complement your selected wine every day from 5:00 p.m. - late.
