# Regent’s International School Bangkok and Manhattan Catering donate 150 food packs and 100 bottles of drinking water to the Bamrasnaradura Infectious Diseases Institute

Academic and support staff and students at Regent’s International School Bangkok have donated 150 food packs and 100 bottles of drinking water to the Bamrasnaradura Infectious Diseases Institute.
As a Round Square school, Regent’s places a high priority on service to others. Regent’s would like to support the medical staff who are working so hard to fight COVID-19.
