

Regent's International School Bangkok donates 2,000 masks, 200 PPE suits, plastic partitions and boxes of snacks to Bang Bua Thong Hospital

Regent's International School Bangkok Medical Volunteer Team and the school Parents' Association continue their commitment to helping others and have donated 2,000 masks, 200 PPE suits, plastic partitions and boxes of snacks to Bang Bua Thong Hospital.

As a Round Square school, Regent's places a high priority on service to others and are committed to supporting the medical staff who are working so hard to fight COVID-19.
