Rooftop Surf & Turf with a difference – only at Red Sky restaurant

Did you know? Red Sky restaurant at Centara Grand at CentralWorld now does the classic combo of seafood and steak (surf & turf) with a difference, presenting an extravagant 2-tier tower stacked full of premium imported ingredients, all cooked to perfection to be enjoyed with a bird's eye view of Bangkok.

Priced at 6,955++, our Surf & Turf Tower for two people comes with generous helpings of Ribeye (Wagyu), Australian rack of lamb, grilled Maine lobster, giant Andaman shrimp, Alaskan crab and Hokkaido scallops.

If that's not all, you can also dig into some other side dishes that come with it, like fresh seasonal vegetables, stuffed potatoes and tasty sauces – perfect for dipping all that meat!

So, if you're looking for something hearty to eat up on our rooftop deck (you should probably come hungry), but not in the mood for a formal sit down dinner, we recommend ordering this Surf & Turf Tower. It's available alongside our full a la carte menu every day from 18:00 – 01:00 hrs.
