Royal Cliff Wins First Asia Pacific Entrepreneurship Award

Pattaya, Thailand – After recently winning the celebrated TTG Travel Hall of Fame Award for the 12th year and the prestigious Asia Today CEO award, Royal Cliff Hotels Group achieved another milestone this year at the recent Asia Pacific Entrepreneurship Awards 2018 (APEA 2018) as it won its first Entrepreneurship Award under the "Corporate Excellence" category. Joining the crème de la crème among entrepreneurs in Asia and the Pacific, it has been recognized as a key player in driving the region forward.

Excellence and sophistication set the tone for the official Awards Ceremony held in Bangkok, as the glamorous event was crafted to recognize the achievements of successful industrial players and was graced by successful entrepreneurs, highly respected VIP guests along with the attendance of Thailand's Deputy Minister of Commerce, Honorable Chutima Bunyapraphasar and the Chairman of Enterprise Asia, Mr. Tan Sri Dr Fong Chang Onn.

APEA is a regional award recognition program in Asia, which celebrates entrepreneurial excellence organized by Enterprise Asia, a non-governmental organization for entrepreneurship. Designed to honor business leaders and entrepreneurs that have shown outstanding performances in developing successful businesses, it aims to band leading entrepreneurs and organizations across the Asia Pacific region to spur greater innovation, fair practices and growth in entrepreneurship. Supported by local governments and businesses, the event brought together and recognized leading entrepreneurs who help drive the economies forward to a bigger and better Asia.

"It is an honor for Royal Cliff Hotels Group to be recognized for this award." Mr. Vitanart Vathanakul, the CEO of Royal Cliff Hotels Group said. "Personally, this inspires me to continually strive for excellence every day.
