

Siam Tea Room reopens at Bangkok Marriott Marquis Queen's Park

Bangkok, Thailand, 20 May 2020 – Bangkok Marriott Marquis Queen's Park is delighted to announce the reopening of Siam Tea Room, its authentic Thai restaurant, from 14 May 2020.

Located on the hotel's ground floor, on Sukhumvit Soi 22, Siam Tea Room will now operate every day from 08.00 to 20.00 hrs, serving an à la carte menu to dine-in, takeaway and delivery service. This acclaimed restaurant focuses on traditional Thai recipes from the four corners of the Kingdom. Recommended dishes include Si Klong Moo Aob (baked free-range pork ribs with ground roasted rice and spicy tamarind glaze), Massaman Nuea (creamy red coconut curry with slow-cooked beef, crushed peanuts, lotus seeds and potato) and our all-time favorite dessert, Kanom Pang Sangkhaya (toasted buttered brioche bread with creamy pandan custard and fresh young coconut).

Each menu item is lovingly prepared by expert Thai chefs using healthy, high-quality local ingredients, embracing classical cooking methods. Diners can also choose from a selection of refreshing drinks, from fresh coffee to cool smoothies.
