The Equilibrium Training The Money Mindset, Kenneth Kam's first book, was launched in Bangkok recently with the Thai version at Park Hyatt Hotel. One of the event's highlights featured Khun Ploy's live Thai rendition of "When you are old" a famous Chinese ballad written and sung by Chinese Singer, Zhao Zhao, a song close to Kenneth's heart. Thanks to his many years of experience, exceptional talent and unparalleled success, Singapore Forex trader Kenneth Kam is a recognized thought-leader who frequently shares his insights and knowledge about Forex trading through various publications.

"Whatever the reader's current situation, this book shares valuable principles on finding balance in day-to-day life and shape a better future for individuals and society as a whole," explains Kenneth Kam. "The book focuses on building wealth, in many ways. I want my readers to exponentially increase their ability to acquire wealth as traders. But even if they don't choose to be traders, the lessons learnt will come in handy for any other business ventures."
