

Sink your teeth into Red Sky's new 'Seafood Bar' selections, Centara Grand at CentralWorld

Fancy something from the bar you can really sink your teeth into? Then perhaps it's time to order something from Red Sky's "Seafood Bar", which promises extra-fresh selections of premium imported seafood to be enjoyed while admiring the dazzling city views.

Our chef's recommendation, the "Seafood on Ice", is ideal to share as a couple or in a group. Priced at THB 5,555++, this includes Red Sky's finest selection of salmon caviar, giant prawns, lobster, oysters, king crab, Carabineros, langoustines, mussels and array of dips and condiments.

For something a little less filling (but a lot more extravagant), you can also go for our "Oscietra Caviar" which is priced at THB 3,955++ for 30 grams of exclusive Oscietra caviar and is served with classic condiments and a shot of frozen Absolut vodka.

These seafood specials are available alongside Red Sky's regular tasting menus, light bites and signature mains - all served up 55 floors above Bangkok on our iconic rooftop terrace.
