

SPU : Special Lecture on University Incubator

Sripatum International College in collaboration with Sripatum University organized a special lecture entitled the University Incubators by Visiting Professor Dr. Pablo Collazzo, the Chair of the European Chapter of the Microeconomics of Competitiveness Affiliate Network at Harvard Business School. This interesting model is part of the MBA program to support and promote students with skills in entrepreneurship. Prof. Dr. Pablo also shared his extensive experiences and background in the development of the national economy. This can be done by starting from the small business community as a business cluster and expanding into its stakeholders. He is expected to conduct a series of interesting lectures on start-up business for young entrepreneurs at Sripatum International College, Sripatum University in January 2017.
