

Suvitech Co., Ltd. hosted a Partner event with Microsoft and the IoT association, together with The American Chamber of Commerce (AMCHAM) in Thailand, on IoT solutions for data insights, automation and improving the overall performance of Thai businesses.

Suvitech Co., Ltd. hosted a Partner event with Microsoft and the IoT association, together with The American Chamber of Commerce (AMCHAM) in Thailand, on IoT solutions for data insights, automation and improving the overall performance of Thai businesses. The event was held at Sheraton Grand Sukhumvit on 21 November, 2019. Several AMCHAM members, represented by their senior Executives, participated in this Executive Breakfast Briefing as part of a series of events being conducted by Suvitech and Microsoft throughout November.
