THAI Smile celebrates Chinese Moon Festival with an executive chef’s specialty

THAI Smile Airways is celebrating the Mid-Autumn Festival, also known as the Chinese Moon Festival, with seasonal Smile Recipes including the signature flavor “Custard moon cake” for domestic and international routes and vegan “Tangerine moon cake”, the newest flavor created with 8 years old dried tangerine peel for India routes only. This special combination has been crafted by the Mandarin Oriental Hotel Bangkok.

The festive culinary offer onboard is valid on domestic and international THAI Smile flights except WE419/420 flights. The menu will be served in a luxury beautiful box and paper bag during 9-13 September 2019. For more information please visit www.facebook.com/thaismileairways
