The 11th Asia Pacific General Galvanizing Conference Thailand 2019

Mr. Apichin Jotikasthira, Deputy Permanent Secretary of the Ministry of Industry (the 4th from left), presided over The 11th Asia Pacific General Galvanizing Conference Thailand 2019 (APGGC 2019) recently held to present world-class technology along with all other aspects regarding general (batch) hot-dip galvanizing. Organized by the Thai Galvanizing Association (TGA) for the first time in Thailand, the event was held on the 22nd floor, Convention B2, Centara Grand at Central World. Top executives who also attended the event include Mr. Wattana Sujitranurak, President of the Thai Galvanizing Association (the 3rd from right) and Dr. Zhang Qifu, Chairman of the Asia Pacific General Galvanizers Association (APGGA) (the 3rd from left).
