

The 24th edition of Asia IoT Business Platform (AIBP) to be held on 24th & 25th July at the InterContinental Bangkok

Bangkok, Thailand – June 25th 2018 – The 24th edition of Asia IoT Business Platform (AIBP) will be held in Bangkok on 24th & 25th July at the InterContinental Bangkok. The event is being held in Bangkok for the 4th consecutive year and will focus on the theme of Digitization of Local Enterprises. Endorsed by Thailand's Ministry of Digital Economy and Society, co-hosted by the Digital Economy Promotion Agency (DEPA) and supported by Microsoft Thailand, the event will focus on Thailand 4.0 initiatives and shed light on the challenges that local enterprises and public service organizations face in adopting and deploying IoT projects, as well as the latest developments in Thailand's IoT and information & communications technology industry.

Photo from left to right shows speakers from the panel discussion on Digitisation of Local Enterprises to Increase Competitiveness: Taveesuk Sayasilapee, VP, Strategic Information Technology, PTT, Asnee Wipatawate, Head of Enterprise Product & International Service, AIS, Irza Suprpto, CEO of Asia IoT Business Platform, Dr. Nuttapon Nimmanphatcharin, President and CEO of DEPA, Rakesh Singh, Director of Corporate Strategy & Operations Development, Srithai Superware and Tanapong Ittisakulchai, Small and Midmarket Solutions & Partners Director, Microsoft Thailand.

About Asia IoT Business Platform

With a focus on local telecommunication companies and verticals, the Asia IoT Business Platform is an educational platform crafted by the industry, for the industry, with the aim of addressing key issues facing the adoption of IoT technologies in the ASEAN region. The program drives enterprises to understand and learn about the adoption of IoT technologies for their business. Since its inception in 2013, the Asia

IoT Business Platform has secured strong support from local governments, enterprises and telecommunication companies. The 24th edition of Asia IoT Business Platform will be held on 24th & 25th July 2018 at the InterContinental Bangkok and the conference will focus highlighting successes and address challenges in implementing IoT projects locally.

About Industry Platform Pte Ltd

Industry Platform Pte. Ltd. is a Singapore incorporated firm focused on the global telecommunications sector. We are Southeast Asia's leading organizer of Machine-to-Machine (M2M) and Internet of Things (IoT) conferences and exhibitions. We work with local and global businesses, as well as public sector

bodies and associations who are looking to expand their reach in Asian markets. We provide the best platforms for industry professionals to network and shape developments.
