THE LONGEST HOT DOG SERVED WITH BEER AT DEE LOUNGE BEER GARDEN AT NOVOTEL BANGKOK PLOENCHIT SUKHUMVIT

Q: What's one foot long, includes one pint of beer and available only at downtown's number-one beer garden hangout?

A: It's 'Hot Dog & Beer', a combo treat on the menu from July at Dee Lounge and Beer Garden.

You've heard the term 'foot-long hot dog'. Usually it means nothing more than a longish hot dog. Bigger than a cocktail sausage, smaller than a whole salami. What we're talking here, though, is the real deal: a genuine one-foot-long – and premium-quality – hot dog of either chicken, pork or veal and served in a big soft bun.

Do fries come with that? Yes they do. As does, as mentioned, one pint of ice-cold draught beer. All for only THB 399 net.

Perfectly simple and simply perfect: Hot Dog & Beer at Dee Lounge and Beer Garden, Novotel Bangkok Ploenchit Sukhumvit.

Offer available 1 July to 30 September 2017. Served every day 6.00 p.m. to 11.00 p.m.

Meeting up at Dee Lounge and Beer Garden is easy: the venue stands directly adjacent BTS SkyTrain – Ploenchit Station.

Live music by CH3 band every Monday to Saturday evening.
