The Service 1921 launches monthly James Bond parties with a Shaken Not Stirred 007 Martini Mission – Casino Royale

Already the talk of the town, The Service 1921 Restaurant & Bar is raising the bar for eventful nights out with the launch of monthly James Bond parties. The secret spy social events kick off on Saturday 25th July 2015 with a 'Shaken Not Stirred 007 Martini Mission – Casino Royale' night from 8pm – 1am, to be followed by a different 007 film theme every last Saturday of the month.

Paying tribute to the splendid colonial house which was once the British consulate of Chiang Mai, The Service 1921 reimagines this era with the eccentric twist of being the base of the British government's secret intelligence service. From this mysterious spy hideaway, The Service 1921 is handing out a hush-hush mission to join Chiang Mai's most exclusive undercover social scene and toast Britain's most charming secret agent.

For the very first Shaken Not Stirred 007 Martini Mission – Casino Royale, ladies are invited to dress to impress and receive a complimentary glass of sparkling wine, while gentlemen spy in good company. Sip a selection of Martinis for THB 200 net per cocktail expertly concocted by our Resident Mixologist Dr. Dr. X, paired with bar bites to die for and 3 for 2 special. Get into the illicit spirit with live music and DJ Spy killing the decks from 9 pm. til midnight.
