Timeless Elegance Fashion Presentation of Thai Period Costumes and Gold Ornaments At the Lobby Lounge, Dusit Thani Bangkok

Dusit Thani Bangkok is pleased to invite you to join our 3rd event, ‘Timeless Elegance’ under our hotel closing campaign “The Timeless Legend”. The event is a fashion presentation of Thai crafted and precious heritage costumes dating back from the beginning of the Ayutthaya period to Rattanakosin and the present era.

Feast your eyes on the intricate beauty and design of the traditional costumes of the royal family and the high court society created and designed by talented period costumes designer, Dr. Surat Jongda, considered as one of the key authorities in Thai periodic costumes; be mesmerized by the glittering silk and gleaming gold and silver threads, the colourful embroidery and the unique patterns on the antique clothes and textiles from the private collection of Paothong Thongchua, a renowned historian who specializes in traditional Thai fabrics; be fascinated by the precious period gold ornaments from the private collections of Puthipong Piencharoeng; admire the Thai costumes designed by Dr. Veeratham Trakulguenthai with ancient royal court patterns as well as Thai costumes designed by Adhit Dhirakittiwat, one of the top Thai designers; appreciate the collections of Peeramon Chomdhavat, artistic director and founder of the Arpon-Ngam Dance Theatre, who designs traditional Thai classical dance costumes.

For the first time of Dusit Thani Bangkok, our Lobby Lounge will be the fashion runway of graceful models showing off these beautiful private collections to be admired by the guests while enjoying a traditional Thai afternoon tea and a demonstration of making Thai desserts for a relaxing and entertaining afternoon at the fashion presentation.

Book your seats on Saturday, September 22nd, 2018 at the Lobby Lounge from 2.30pm onwards, Dusit Thani Bangkok at THB 1,500.- net per person for a Thai afternoon tea buffet, a glass of champagne, Thai crafted and precious heritage costumes fashion presentation.
