

Tower on top of the tower: Surf & Turf at Red Sky restaurant

They say the best food is food that's shared with good company - so grab your other half or best mate and head to Red Sky restaurant at Centara Grand CentralWorld to feast on a tower as decadent as the rooftop location (but not quite as high) - our Surf & Turf Tower!

Priced at THB 6,955++, this extravagant sharing dish is delivered to your table overflowing with premium seafood, beef, lamb and sides.

Meat-lovers can indulge melt-in-the-mouth Ribeye Wagyu and Australian rack of lamb, while the tower also features generous helpings of grilled Maine lobster, giant Andaman shrimp, Hokkaido scallops and Alaskan crab.

You won't be left hungry with seasonal sides like fresh vegetables and stuffed potatoes - plus the tower comes with various sauces paired perfectly with the surf & turf combo.

Red Sky's Surf & Turf Tower is available every day from 18:00 - 01:00 hrs. To book your table or for more information, please call 0-2100-6255 or email: diningcgcw@chr.co.th.
