

True Digital Park, the new global destination for the digital age generation and an all-in-one place that addresses the digital lifestyle trend while keeping work life balance

True Digital Park, the new global destination for the digital age generation and an all-in-one place that addresses the digital lifestyle trend while keeping work life balance

True Digital Park by Thanasorn Jaidee (third from left), Managing Director, launches the True Digital Park project which will become Southeast Asia's largest digital innovation centre and Thailand's first and only project to address the digital lifestyle trend as an all-in-one place for work and relax under the concept "Digital Lifestyle-Connecting Possibilities". The pre-launch event is held to announce the readiness of the project situated on the potential location of Sukhumvit 101. The event recently held at The Okura Prestige Bangkok Hotel was honoured by Nicha Srisanguankul (second from left), Senior Vice President, Commercial and Retail Business, Magnolia Quality Development Corporation (MQDC), Apinara Srikanchana (third from right), CEO of UDrinkIDrive, Yod Chinsupakul, (left) CEO of Wongnai and Suchart Pavasiriporn (second from right), HR manager of Line (Thailand) Co Ltd.
