

True Group Evaluates Pracharat School Development Plans under CONNEXT ED Project for 367 Northern Thai Schools

True Group Evaluates Pracharat School Development Plans under CONNEXT ED Project for 367 Northern Thai Schools

True Corporation Plc, one of the CONNEXT ED Project founders, led by Mr. Suphachai Chearavanont (center), Chief Executive Officer, Charoen Pokphand Group / Chairman of the Executive Committee, True Corporation Plc, forges ahead with its moves to create a culture of taking part in education. It recently held a stage to evaluate Pracharat School development plans under the CONNEXT ED Project. On this occasion, True Group's management members, contributing to the project as school counselors, including Mr. Noppadol Dej-Udom (8th from right), Vice Chairman of the Executive Committee, and Mr. Siripoj Kunakornphan (8th from left), Group President (Co), True Corporation Plc. provided advices and approved plans to drive 367 Pracharat Schools in the North.

This year, digital technology is used in the transparent process of proposing the school management plan, submitting the plans online as well as online scoring system in line with the project's major strategic transformations. True Group will arrange venues for Pracharat Schools from four regions of Thailand; namely, central, northeastern, northern and southern regions, to present their school development plan continuously until June 2019. The development plans are aimed at driving those projects in order to make changes for Thai education by achieving the target of 1,000 Pracharat Schools under care of True Group this year.
