True Group Receives “Thailand Sustainability Investment Award 2018” at the SET Sustainability Awards 2018 Presentation Ceremony

True Group Receives “Thailand Sustainability Investment Award 2018” at the SET Sustainability Awards 2018 Presentation Ceremony

The Stock Exchange of Thailand led by Dr. Pakorn Peetathawatchai, President, presented Thailand Sustainability Investment (THSI) Award 2018 to True Corporation Plc, represented by Mrs. Pimolpan Siriwongwan-ngarm, Director of Corporate Communications & Marketing PR, at the SET Sustainability Awards 2018 Presentation Ceremony held at the Professor Sangvien Indaravijaya Auditorium, The Stock Exchange of Thailand Building. True Group has been awarded through the assessment by a sustainable investment working group consisting of experts in corporate governance and social responsibility as well as representatives from the capital market organizations. True Group has been in the Thailand Sustainability Investment (THSI) list for 2018, categorized in the listed firms with market value worth more than THB 100 billion. This award reflects True Group as a role-model listed company that strives to enhance sustainable development in terms of financial performance, integrated innovation while conducting business in compliance to good governance policies as well as being responsible for stakeholders, society and environment.
