

TrueOnline Launches “Internet for Condo-No Worry” Package Offering Free Routers, Installation and No Contract Subscribe Today for Instant Use!

TrueOnline Launches “Internet for Condo-No Worry” Package Offering Free Routers, Installation and No Contract Subscribe Today for Instant Use!

TrueOnline, Thailand’s Number 1 broadband internet service provider with the largest nationwide coverage, represented by Mr. Saharat Kanongsilp, Head of Commercial True Online & Convergence, today launches its latest campaign “Internet for Condo-No Worry”. The package targets condominium residents, which demand seamless high-speed internet facility. TrueOnline offers free installation, free routers, free 12-month trial of TrueID application as well as no service obligation for instant uses. The service is being proposed in convergence package, comprising internet facility with a maximum speed of 200/50 Mbps together with unlimited 4G mobile data service from TrueMove H with a maximum speed of 6 Mbps.

Call TrueOnline 1242 today to subscribe to our service. The joining fee is set at only 650 baht. For more information, click www.trueonline.com
