Up to UNO MAS to discover Spain’s most succulent dish!

With sweet, crispy skin encasing rich and tender pork meat inside, Cochinillo Asado – aka ‘suckling pig’ – is an absolute must-try for any Spanish food fanatic.

And now, at UNO MAS restaurant you can enjoy this extravagant dish right in the center of Bangkok for just THB 1,990++.

For this price, couples and groups can feast on our signature Half-Roasted Suckling Pig, prepared by our expert chefs just like it is done thousands of miles away in Spain’s central Castilla region (famously known as ‘Segovian’ style).

The dish comes with a selection of sources, both traditional and not-so-traditional, including green Mojo sauce, gravy and Thailand’s very own namjimjaew.

Aside from the food, guests dining at UNO MAS are treated to some stunning views, 54 floors above downtown Bangkok. There’s a convenient choice of seating, too, either inside our Mediterranean-inspired dining room or outside on the semi-alfresco deck.

We also have a range of other offers and specials running throughout the week for both lunch and dinner. For more information, please visit us at unomasbangkok.com or call 02 100 6255.
