Volvo Group receives order from Sitti Logistics Laos

Volvo group (Thailand) Company Limited received new truck purchasing order of 10 all -new FH13s from Sitti Logistics Laos Company Limited, a major petroleum transportation service provider to Petroleum Trading Laos Public Company - a Laotian listed company. Volvo Group had delivered the 10 trucks to the company recently.

Sitti Logistics Laos in the beginning had nine rigid trucks in its fleet and 2012 the fleet was expanded to 35 vehicles which now insufficient to serve its customer encouraging Sitti Logistics to place new purchase order for 10 more trucks into its fleet.

Seen, Mr. Paded Meunthaisong (2nd from left), Truck Sales Manager Northeastern of Volvo Group (Thailand), in together with team members, recently handed over a souvenir to Mr. Viengkhone SITTHIXAY (3rd from left), Deputy Director of Sitti Logistics Laos, and his team members, during the truck delivery ceremony.
