# Welcome Back to Goji Kitchen + Bar!

Bangkok, Thailand, 16 June 2020 – Bangkok Marriott Marquis Queen's Park is excited to announce that Goji Kitchen + Bar, its vibrant all-day dining destination and international culinary marketplace, will reopen to diners on Friday 19 June 2020.

Nested on the hotel's ground floor, in the heart of Sukhumvit and just a few minutes' walk from Phrom Phong BTS skytrain station, Goji Kitchen + Bar serves an extensive selection of dishes and delicacies from around the world, with dramatic live cooking stations. Diners can discover the finest meats cooked to perfection on a Parrilla grill, ocean-fresh seafood, fresh sushi, Chinese dim sum, divine desserts and much more.

With a farm-to-table concept, chefs focus on ingredients that are locally sourced, seasonal and sustainable, to ensure the freshness of the produce and to drive benefits back to the community. In line with its responsible dining pledge, Goji Kitchen + Bar also operates a wide range of initiatives to ensure that no food is wasted, including working with Scholars of Sustenance Foundation (SOS) to deliver meals to underprivileged communities in Thailand.

Celebrating the timeless values of food, family and friendship, Goji Kitchen + Bar is a social dining experience. The restaurant will now balance this lively ambiance with the "new normal" of social distancing and enhanced health and hygiene requirements.

In line with official guidelines, guests can order food at the buffet that will be delivered dishes to their table. Diners will be able to sit together, but seats will be strategically positioned a safe distance apart. All kitchen staff will be required to wear masks and face shields to ensure the highest standards of sanitation.
