Your Last Dance at Bubbles Beyond Your Ordinary Night At Dusit Thani Bangkok

Good memories are meant to last, that’s how Dusit Thani Bangkok wants the Bubbles’ fans to enjoy their last dance when we open our Lobby Lounge and My Bar as two venues to dance your night away beyond your ordinary night to bid farewell to this legendary discotheque on Friday, 30th November 2018.

Put on your dancing shoes and get decked with your best attire to fit the party’s theme of ‘Glitz and Glam’. Get high with the intoxicating grooves as two of Bubbles’ original house DJs Paul Jackson and Peter Chie spin everyone’s favorite music for the last time from 9 pm onwards. This will be ultimately your last chance, so don’t miss the fun.
